### WIADOMOŚĆ OD ORGANIZATORÓW

Dear Anna,

you find the hotel under [www.hotel-bei-der-esplanade.com](http://www.hotel-bei-der-esplanade.com)

My mobile number : +49 (0)176 24 88 08 58

Gabrielas mobile: +49 (0)175 65 44 44 4

On Monday we will take you to the hotel which is in the city centre, so that we can have a short walk in the city (how good are you at walking at the moment?).

On Tuesday in the morning there are three courses at HarAlt which you might attend:

“Creative painting”, - self organized by older people

“Moving with music”, - self organized, if sb wants to take part they should bring comfortable clothes and shoes for that

“First steps on the computer” – the very first lesson, normal paid course, for older people only.

In the afternoon we can meet a representative of the “advisory board of seniors” in Harburg, the part of Hamburg where HarAlt is.

After that we can do some sightseeing?

That’s the programme so far.

Has anybody maybe heard of something in Hamburg she would like to see?

Best regards

Agnes
